## Research

207	current research projects
8	European
5	national
27	regional
14	privately funded
153	internal
223	research projects completed, out of those
13	European
20	national
45	privately funded
154	internal
1,7	million Euro of external funding in 2010
3,5	million Euro total internal budget of current research projects
60%	of contracts with third parties are with local companies/institutions
70	PhD-students, of whom
35	from abroad
41	contract researchers, of whom
8	are from abroad
7	research fellowships

## International relations

118	partner universities with agreements including:
135	LLP/Erasmus agreement
107	Leonardo da Vinci agreement: internship for graduates
1	agreements for joint degrees in the Erasmus Mundus framework
3	bilateral agreements
22	BIT (agreements between the universities of Bolzano, Innsbruck and Trento)
2	
40	nationalities present in the student body
400	study places for students of other universities
400	study places for students in other universities
15	places for students for internships with LLP/Erasmus Placement
3	places for university personnel for professional qualification with LLP/Erasmus

## Services

481	recognition procedures for foreign qualifications in 2010
379	PCs and Macs available for students
300	IT-Services such as ChipCard, HotSpot...
19	technical and design workshops and laboratories
615	places available in student accommodation in Bolzano and Bressanone
1082	provincial grants awarded to students in 2010
23 m <sup>2</sup>	space available per student
2005	year of the ISO27001 certification for information security
4	student associations

### Library

203.102	Books and media
18.417	E-books
18.272	E-journals
85	Databases
6.161	library users
524.708	library visits

For a number of years now the library occupies top positions at the renowned international BIX (library-index), especially due to the excellent rating in the area of utilization and development
